Agitate contents well before dilution

- Fill tank to minimum of half volume
- Add compatible chemicals as required maintaining agitation
- Stir and/or agitate well
- Add Buffer 5 or Break-Thru S 240 as required per labelled instructions
- Add fertilisers and compatible trace elements as required

COMPATIBILITY: K SILICA™ is compatible with a wide range of commonly used spray chemicals. When mixing with other chemicals, always mix a small quantity and check for precipitate (fall out) in mixture. If precipitation occurs, DO NOT proceed with application. If mixture does not precipitate and it's the first time you have used this combination of products, test a small area of the crop prior to treatment of the whole crop.

Although this remedy has been extensively tested under a large variety of conditions, the registration holder or the Producer does not warrant that it will be efficacious under all conditions, because the action and effect thereof may be affected by factors such as abnormal climatic and storage conditions, quality of dilution water, compatibility with other substances not indicated on the label and the occurrence of resistance of the pests to the remedy concerned, as well as by the method, time and accuracy of application. The registration holder further does not accept responsibility for damage to crops, vegetation, the environment or harm to man or animal or for lack of performance of the remedy concerned, due to failure of the user to follow the label instructions or to the occurrence of conditions, which could not have been foreseen in terms of the registration. Consult the supplier in event of any uncertainty.

LIABILITY

Notwithstanding anything to the contrary herein or elsewhere contained, the Seller's sole liability shall be to replace non-conforming Product, or if the Seller shall so elect, to refund Buyer with the amount paid therefore to the Seller provided that a written claim be received by the Seller within 14 (fourteen) days of delivery thereof to Seller. Failure on the part of Buyer to make a written claim within the time specified above shall constitute complete and final waiver by Buyer of all claims in respect of Products delivered and such Products shall be deemed, for all intents and purposes, to fully conform to agreed specifications or to the relevant samples - as the case may be. THIS WARRANTY IS MADE IN LIEU OF ALL WARRANTIES, EXPRESSED OR IMPLIED. ANY IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY APPLICABLE TO THE PRODUCT ARE HEREBY EXCLUDED. Seller shall not be liable for any indirect, punitive or consequential damages (including loss of profit) and in no event will the Seller's liability exceed the amount actually paid to the Seller for the products in respect to which the claims are made. If any limitation of liability shall be deemed invalid by any applicable law, then the Company's liability shall be within the limitation permitted by that law.
